

Client Profile

Industry: Networking/High-Tech

Location: Chicago, IL

Specialty: Mobile Phones and Networking systems

Challenges

The Supply Chain process cycle time was taking too long to complete the month end close

Our Solution

Buxton team helped identify the system bottlenecks quickly that were causing the performance issues. We tuned the database configuration and helped fine tune the poorly performing SQL statements.

Business Impact

Customer was thrilled for being able to complete the month end close activities in a timely fashion, unlike ever before.
